Good Hart, MI

Thursday- July 7

Nuno Felting: Annette Moriarity

Owner of A Studio, Annette will demonstrate needle felting and how wool magically fuses to silk. Participants will then make a scarf with silk & merino wool accents.. Limited to 6.

10:00 am -12:00 pm \$35.00 tea & supplies incl.

Thursday - July 14

Esoteric Healing: Glenda Walker

Glenda has trained to sensitize her hands and inner perception to examine the "aura" in order to find alterations in the flow of the energy. Pain & symptoms resolve easily & naturally when their energy flows freely, resulting in improved physical, emotional, mental and spiritual conditions. Come join us! Private Sessions available by appointment.

11:00 am -1:00 pm \$15.00 tea included

Tuesday- July 19th

Floral Arranging: Annette Moriarity

Annette will demonstrate her 20 years of experience in the Industry. She will share the latest techniques as well as new to the market materials available. You will make & leave with your own bouquet.

10:00 am -12:00 pm \$25.00 tea & supplies incl.

Thursday - July 21 Dr. Kyle Denholm D.C

7 Secrets to Health & Healing:

7 things you must know and understand if you truly want to be healthy. Breakthrough thinking about health care, stress, your nervous system and how to survive the "health care crisis". Complimentary stress and nervous system scans.

11:00 am -1:00 pm \$15.00 tea included

INSPIRATIONAL TEAS 2011

Tuesday - July 26

**Creating Resilience - Inspirations from Nature:
Diane Osborne/Seamus Norgaard**

In this interactive workshop we will explore tools to creatively engage with stress in our lives. Drawing upon nature's unlimited wisdom, we will experience resilience in our bodies by moving gently with the patterns of wind and wave.

11:00 am -1:00 pm \$15.00 tea included

Thursday - July 28

Iridology: Teri Rounds

The eye has a direct connection to every part of the body. Teri sees the inflammation (precursor to all illness) in the body part and can tell what state or degree of illness it is in, even in months or years before it happens. It will fascinate you!

11:00 am -1:00 pm \$15.00 tea included

Thursday - August 4

Laser Touch One: Sam Sharp

In this "hands on" workshop, Sam will present the "LaserTouchOne". You will learn about this amazing device that empowers people to treat their own pain without the use of drugs or surgery. Private sessions available afterward by appointment.

11:00 am -1:00 pm \$15.00 tea included

Tuesday - August 9

Earth Wisdom: Diane Osborne

As the Earth shifts and changes, does it have wisdom to share with us? Have you longed to develop your ability to tune into Earth? In this experiential workshop, through discussion, and guided drum meditation we will learn skills to quiet the mind, tune in to deeper wisdom, and commune with Gaia - the living consciousness of Earth.

11:00 am -1:00 pm \$15.00 tea included

Thursday - August 11

Astrology 101: Mary Stewart Adams

Understanding a basic natal horoscope chart as a first step in recovering the mystery of the self through the stars, and/or as a way to deepen the experience of having one's chart professionally read. The way out of the chaos in the world is through the cosmic harmony within. Private Sessions available by appointment.

11:00 am -1:00 pm \$15.00 tea included

Thursday - August 18

Flower Remedies: Steven Valley

Come enjoy an afternoon with flowers at our remedy playshop. Join Steven for lecture on, and preparation of, a selected flower remedy. Learn, share, create and more. Take home your special remedy.

11:00 am -1:00 pm \$17.00 tea & supplies incl.

Thursday - August 25

Electrodermal Screening: Flora Waters

"High technology meets ancient medicine" demonstrates the use of electrodermal screening as a tool to measure and test organs and the many parts of the body, which can assist in clearing up physiological illness, emotional imbalances and physical ailments.

Amazing! Private Sessions available by appointment.

11:00 am -1:00 pm \$15.00 tea included
